

FOR IMMEDIATE RELEASE  
July 29, 2004

**PIEDMONT APPOINTED DISTRIBUTOR FOR PUROLATOR FACET.**

**(Kernersville, NC)** – Purolator Facet, Inc. recently appointed Piedmont Aviation Component Services as one of their Aerospace Distributors. Piedmont will distribute fuel, lube, and hydraulic filters as well as indicators and switches, applicable to Regional and Commercial Airlines and Corporate Operators.

“Piedmont Aviation’s Material Services department will stock a complete line of Aerospace filters in our Winston-Salem warehouse. We can now provide our customers worldwide with just-in-time delivery of these critical aviation parts,” said Barry Orrell, Vice-President of Material Services for Piedmont.

“We are very pleased to be associated with Purolator Facet. They’re a well-respected manufacturer of Aerospace filters, based in Greensboro and in business for over 75 years. In fact, Purolator Facet was the originator of the corrugated filter design. Like Piedmont, they’re a part of the area’s history,” said Piedmont President Tom Ferrell. “This association will enable us to offer enhanced service to our customers...and service is always a priority at Piedmont.”

Piedmont Aviation Component Services, formerly a division of Piedmont Hawthorne, became an independent organization in 2002. The company has earned an international reputation in all of its core businesses: propeller and landing gear overhaul and repair, APU overhaul, and related parts sales and distribution. Management believes their strongest asset is the experience and dedication of their employees. Corporate offices and APU facilities are located in Kernersville, NC. Propeller. Landing Gear, Repair Services and the Material Services departments are located at Winston-Salem’s Smith Reynolds Airport.
